## Give the best for you

Granada Interior Doors Company was established in 2020.

It is located in New Damietta City, Industrial Zone, Plot No. 11, Block 24K, with a main branch and a showroom for interior doors. In 2022, we were able to expand in the industrial zone, 3 km away, with a new factory.

We specialise in manufacturing the finest PVC interior doors, laminate doors, MDF doors, and wood veneer doors to satisfy all tastes.

We have a large production line covering 3,000 square metres.

We have the highest technology to produce doors thanks to modern equipment imported from abroad and professional manual labour to implement accuracy and high skill.

We have many authorised agents all over the country, both internally and externally, in Saudi Arabia.

We export to many African and Arab countries and have external distributors.
